

Use this budget tool to see how much you make and spend each month.

- 1) List your income.
- 2) List your expenses.
- 3) Subtract your total spending from your total income to build your budget.

Month: _____

Type of Income:	Amount Gained:
Job	
Government program	
Disability benefits

-

Total spending this month

=

Total remaining this month

If your income is more than your expenses, you have money left to save or spend.
If your expenses are more than your income, look for expenses to cut.
