

EXPENSE TRACKER

This evaluation will provide a revealing snapshot of your spending habits. Write down the amount of any money you spend and note where you spent it (for example: groceries - \$25, lunch - \$5, bus fare - \$1.50). At the end of the week, you can categorize your expenditures (for example: dining out, groceries, gas) to see how much you really are spending vs. what you think you spend!

Directions: Record all purchases, every day, for an entire week.
